Yes	Yes	Yes		Yes		Yes		Yes		Yes		Yes		Yes		Yes		Yes		Yes	Yes	Yes		Yes		Yes		Please advise if you are considering somehow connecting the end of the Spanish moss trail to downtown Port Royal. That would be a great place to end the trail on the south part of it. Thank you I think that the sidewalk on 278 westbound should be extended to the bridge to pickney island. There should also be a sidewalk on the opposite side of 278 at the same location so that people can ride or walk onto the bridge from Bluffton and to The Island safely.
Yes	Yes																					No	Yes			Yes	Yes	Is there any consideration to improving/widening the sidewalk between Whale Branch bridge and Washington Farm Road so the residents in Lobebo could walk/ride their bikes safely? I would love to be able to walk my dogs without having to ride 10-15 minutes to walk safely. The Ribaut Road Path needs to connect to the Ribaut-Edinburgh Intersection.
																												Thanks for the opportunity to comment. Broad River Drive (Shell Point): We can save money by going through Shell Point Park rather than the circuitous route along Broad River Drive. It would enhance the park and save money by shortening a section of the pathway. Meridian Road: I am concerned about the safety of pedestrians and cyclists having to cross at Youmans Road and Yacht Club Drive. How will they safely cross at a crosswalk at Lady's Island Drive? Burton Hill Road: I don't think this project serves enough residents to warrant its construction at this time. The pathways on Salem and Old Salem Roads already connect the residents of Battery Point and the apartment complexes to the Spanish Moss Trail. We should drop this project or shorten it to simply connect the Beaufort Industrial Village to the Spanish Moss Trail. MLK: We are asking people to cross MLK at two locations. We should spend the extra money and keep the entire trail on the east side of the road so that it can safely connect with the library. Salem Road: we should construct one 10 foot wide two-way path and eliminate the other side.

		Yes	Yes					Yes				Yes		Yes		Yes		Yes		Yes	Yes	Yes	Yes	Yes				Thank you very much for your consideration of pathways along Burnt Church Road. This road does so much to connect our community, but sadly is only acceptable for motor vehicles to use. There is not a safe space for pedestrians, bicyclists, and motorists to coexist on this road. My wife and I love the close walk or bike ride to Old Town Bluffton. Unfortunately, we have always felt like it's a bit of a gamble for us to walk or bike down Burnt Church Road. As a parents of a new baby, my wife and I have decided to not take the risks we used to when we would walk to Old Town from Fernlakes. It is disappointing that residents such as myself don't feel safe enough to simply walk to the locations surrounding our community because of the dangers of this road. We have a community next to us named "The Walk" due to its proximity to Old Town Bluffton and several amenities. Unfortunately, this community does not have pathways that connect them to adjacent amenities. It certainly doesn't get more ironic than a community called "The Walk", having no safe way to walk to its surroundings. Perhaps the most obvious reason that this road needs a safe pathway is that Michael C Riley elementary school is on Burnt Church Road. If we do not see it a worthy investment to provide a pathway for parents, students, and teachers to walk to and from the school safely, than shame on us as a community. I can't thank you enough for your consideration and look forward to seeing plans move forward.
No		Yes		No		No		Yes	Yes	No		No		No		No		No		No		No		Yes		No		Adding a sidewalk on Burnt Church Road is essential for the well being of this community. As a resident of Fern Lakes, we purchased our home because of its close proximity to Old Town. However, walking or riding bikes to our community's shops, restaurants and parks is not possible due to the lack of a sidewalk that would allow my family to safely make it to Old Town. Connecting Fern Lakes, as well as The Walk and Lake Linden developments, is also of benefit to the countless small business owners and school, which are located less than a mile away. Adding a sidewalk along Burnt Church is an easy and logical way to stimulate the local economy, encourage community involvement and add value to the surrounding neighborhoods.
									Yes	Yes				Yes	Yes													I'm a bicycle rider and live on Telfair Dr. I've always felt "captured" (and bored) in the neighborhood when I ride due to unsafe riding conditions on Middle Rd. I'm very excited and approve of the Middle Rd. pathway. ( I would like to see it extended to Springfield Rd. but I'm not complaining.) I'm also impressed to read that it will be 8' wide. That will allow for safer conditions for walkers, baby strollers and bicyclists. Thank you for that decision because that is doing it right! This pathway will allow bicyclists to get out of the neighborhood safely and to have access to downtown Beaufort, which is good for us and good for Beaufort. I wholeheartedly approve of including this location in the pathway projects and can't wait for it to be completed.
								Yes	Yes					Yes	Yes													These pathways are the missing link our community needs. There has never been a more important time in our recent history than right now to provide pathways for the people. For our health, well being and most importantly our safety. Thank you, Resident of Burnt Church Rd neighborhoods for 20 years.
Yes		Yes	Yes	Yes		Yes	Yes	Yes		Yes		Yes		Yes		Yes		Yes		Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	I am in favor of building pathways along the busy roads above in my community- Beaufort. This will allow people to get outside and exercise safely. I live in Battery Point and it will help me and those that live near me get to the Spanish Moss trail safely. I am a health coach and am always in favor of any improvements that would help the health of my community.
Yes		Yes	Yes	Yes		Yes	Yes	Yes		Yes		Yes		Yes		Yes		Yes		Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	A lot of low income people have to walk along Burton Hill and Salem and Old Salem Roads to get to jobs and shopping, it would be a great asset! Very excited about having sidewalks on Salem and Old Salem Road - would very much prefer to walk or ride a bike to shop, especially with the new Publix opening; and to get safely get onto the Spanish Moss Trail. Right now the roads are very narrow and very curvy for cars and is not very safe for pedestrians or cyclist.

		Yes				Yes	Yes			Yes		Yes	Yes	Yes	Yes													This improvement has been needed for many years. I have lived in Fernlakes for 20+ years and have watch the traffic on Burnt Church Road grow exponentially. The proximity to Old Town, the addition of the Bluffton Parkway, and the Elementary School down the road have brought a lot of vehicle traffic. It is dangerous to walk or ride a bicycle on Burnt Church road. Thank you for your consideration!
Yes	Yes	Yes		Yes		Yes	Yes	Yes		Yes		Yes		Yes		Yes		Yes		Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	I live near Brighton Beach on the intersection of Thomas Lawton Road and Ulmer Road and daily see bicycle and pedestrian traffic throughout the day. Both roads have no shoulder and are located near proposed projects. I am requesting you to look into adding pathways to the Alljoy area like Alljoy Road, Thomas Lawton Road and Ulmer Road. It is pivotal to the safety and security of local residents, traveling visitors, and local children in this area. Thank you for your time and consideration.
No	Yes	Yes	Yes	No		Yes	Yes	Yes		No		Yes		Yes		Yes		No		No	No	No	No	No	No	Yes	No	1. I believe the selections I made are well rounded for the overall benefit of the county. 2. I am not able to stress how important the Burnt Church pathway is vitally necessary. Burnt Church Rd. directly impacts over 1000 individual households and has both a Fire Station and Elementary School on it. This pathway is long overdo and will exponentially increase the safety and walkability of this area for the nearby residents. Providing a pathway on Burnt Church Rd will allow residents who live in neighborhoods along Burnt Church safe routes to Old Towne.
		Yes				Yes								Yes						Yes								Burnt Church road pathway would permit students who attend M.C. Reilly to walk/bike to school. Also, neighborhoods on Burnt Church would have pathway access to walk to Old Town (reduce traffic and parking issues) The current condition of Burnt Church Road does not permit for any walking and is dangerous to do so. Thank you for this project. Will open up many avenues for me

						Yes	Yes							Yes	Yes													I've said this before, anyone who owns a business in old town Bluffton who wants foot traffic from Lake Linden, Fern Lakes, and any development off the Bluffton Parkway this is their chance to speak up! It's been way too long not getting this project done. Parking in town is a nightmare. We have lived at the same address for 10 years we have tried riding our bikes along Burnt Church and we literally take our lives in our hands. A bike path/walking path would make such a natural connection between the parkway the Lake Linden development and Bruin Road to promote safety and business development.
Yes	Yes	Yes		Yes		Yes		Yes		Yes		Yes		Yes		Yes		Yes		Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	We would LOVE a pathway on Burnt Church Road, for the convenience but most importantly for safety's sake. There are many, many people who now walk and bike this road and it is very dangerous. We've been waiting for years. Burnt Church Road as it currently stands is unsafe to walk as cars speed down the road! Sidewalks on Burnt Church Road would connect the parkway as well as all the communities on Burnt Church Road to the downtown Bluffton area! Please make this happen!
		Yes				Yes								Yes														A pathway on burnt church would greatly increase the biking and walking access to old town for a ton of Bluffton residents. I also believe it would help old towns expense towards burnt church road. I live in lake linden and I always see people walking on the grass or the side of the road to get to work or to get to Old Town it is very dangerous as cars go very fast down that road. Personally I'm in my 20s and I am even too afraid to ride my bike to old town because of it! I think it would be a good choice!
No		No		No		Yes		No		No		No		No		No		No		No	No	No	No	No	No	No	No	Burnt Church Rd needs a sidewalk. Children need safe access to MC Riley Elementary. I live off Burnt Church Rd and would love to have a safe pathway to walk to all that Old Town offers. Walking would be better than driving and trying to find parking, especially during the busy season when there's so much congestion and people on the road who aren't familiar with where they are going. And busy season is almost year-round now.
						Yes		Yes						Yes						Yes								What is the timing of these projects? How much money has been raised, currently? Total money to be raised by the tax?
		Yes				Yes								Yes														This project was voted IN during the last election for Mayor, etc. We desperately need this walkway. I feel, as we voted to accept the increase in taxes. Exercise, property enhancement and visually pleasant are only a few of the wants and needs of this community.
No	Yes	Yes	No	No		Yes	Yes	No		No		No		No		No		No		No	No	No	No	No	No	No	No	Are we putting in sewage lines in first?
		Yes				Yes								Yes														Don't forget Sawmill Creek Rd, Bluffton SC 29910 Burnt Church is in desperate need of pathways as we encounter pedestrians daily with no shoulders for them to safely navigate what has become a very busy road. These improvements are great, hopefully it will get people moving without all of the cars. Of course, we also realize that this happening in our lifetime may not be possible, but good for the coming generation.
						No								Yes														As a resident of Burnt Church Rd, the thought of a pathway is enticing. However, the proposed path would take a chunk of the front of our property that borders the road. I have my property certified as a Palmetto Wildlife Habitat through the National Wildlife Federation and I am adamantly opposed to having any trees removed from our property to make a path. Additionally I would like to know what sort of financial compensation we will receive if we lose a portion of our lot. There are lots of questions for those of us who will be impacted. This would be huge! AS this area grows more and more people are walking and riding bikes on that stretch of Burnt Church ... super dangerous. This would be a fantastic addition to the pathway system ... Do it!
Yes	Yes	Yes	Yes	Yes		Yes	Yes	Yes		Yes		Yes		Yes		Yes		Yes		Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	CRITICAL MISSING PROPOSAL: Please look at Pritchard Road in Bluffton. The existing sidewalk is significantly damaged and families walk in the street. There is an elementary school and a recreation center on Pritchard. Ideally both sides of the street should have a sidewalk/pathway.
No	Yes	Yes	No	No		Yes	Yes	No		No		No		No		No		No		No	No	No	No	No	No	No	No	I've lived in Fernlakes for over 20 years and have always wondered why we didn't have pathways on Burnt Church Road. I hope this will be on the top of approved projects!
		Yes	Yes			Yes	Yes							Yes														Depending on how long the bike path on Burnt Church were to take, having the grass along the side of the road maintained would be beneficial. This would help provide a more visible footpath along side the road to keep runners etc off the road more, help reduce the risk of rolled ankles, tripping and falling into the street, fire ant bites, and snake bites (just to name a few). With the increased number of homes and young families along Burnt Church along with an elementary school and fire station...and maybe also because I live off Burnt Church and run that route with the dog...I would enjoy seeing this bike path take priority. Thank you for your hard work and taking time to request input, even if you don't read it all! But if you do, way to go!! Keep it up, you're doing great!
						Yes				Yes	Yes	Yes																We are a family with kids that live close by and will going to MC Riley. Will be great to use going to school and downtown.
No		Yes	No	No		Yes		No		No		No		No		No		No		No	No	No	No	No	No	No	No	Most importantly, in my opinion, is Burnt Church Road. There are a lot of benefits to this project, first and foremost being safety. There is no room to safely maneuver around this road without the potential for someone getting hurt. While it would be great for residents to have foot access to shopping center, it would bring great potential for the small local businesses in Old Town Bluffton. What a great opportunity to support the small business while getting out to enjoy our beautiful scenery. Walking to down town or to restaurants.

																												<p>Please put Alljoy Rd on the list for walkways and ahead of Bluffton pkwy which already has miles of walkway. We need a walkway more than Shad as Alljoy is very busy And drivers speed all the time. We have requested more deputy patrol to slow down dangerous drivers as well, but have had no result. Your consideration is appreciated. Respectfully submitted, Deborah Pettee Alljoy property owner</p> <p>Strongly in favor of a pathway on Burnt Church Road in addition to connecting that to a pathway on All Joy Road. Both areas are near populated residential areas where residents are also very active. By putting a pathway on Burnt Church Road, it would allow for residents to easily walk or bike into the town of Bluffton, and it will create a full loop between the pathway already existing on 46 and on the Bluffton Parkway. MC Riley School exist less than 1/2 mile from many residents who live on Burnt Church, many of whom live in Lake Linden with young children. The pathway would therefore also allow safe walkable access to the school for local children. Two restaurants also exist at the corner of Burnt Church. A pathway would allow for easier access to these locations as well for those visiting and living in Bluffton. Furthermore, it will create a safer place for walkers/bikers/runners to utilize the road (many of which already use the road for walking and running). The traffic on Burnt Church has only increased and many vehicles often exceed the speed limit. The pathway should be designed in such a way that pedestrian's are protected from the vehicle traffic.</p> <p>I further support a pathway connecting Old Town Bluffton to Brighton Beach (All Joy Road). This road is very popular for cyclist, runners, walkers and boaters. It is known to be a dangerous road to walk due to cars with no safe place for the pedestrians to utilize. Such a pathway would also create new access to Brighton Beach/All Joy Beach and so it would not only make for safer use of the road but also provide enjoyable access to an additional amenity for those visiting Bluffton.</p>

																												<p>Alljoy Rd. Could use sidewalks. Can't believe not on list with all the foot traffic &amp; cycle traffic. Most times Alljoy seems like Daytona Speedway (very little police presence). Been quite a few deaths since we've lived there. Love area, but don't see tax \$ at work on Alljoy. Seem to think w a stepchild. County mows right ways annually &amp; homeowners maintain ditches &amp; right ways. Bluffton is a great place regardless &amp; I hope my wife &amp; I are assets to Alljoy. I never complain, but thought I should say something. If nothing is done we will adapt to our situation. Gotta love Alljoy &amp; Bluffton. Thank you</p>	
Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	<p>I am in favor of any and all pedestrian and bike paths. Commuting is a fun, healthy, therapeutic way to travel as well as it saves money for the individual by saving money on gas, parking and other expenses attributed to motor vehicles. It even saves the county money by reducing the amount of cars on the road reducing impacts on pavement and creating a clean living environment. With that said I commute most places and would love a vision of a safe path that connects beaufort to Bluffton but I would even settle for a safe path over the parris island gateway bridge. If there was a path to Bluffton I would commute to work most days pending weather.</p> <p>Please add a pathway on Alljoy Road! Thank you.</p>
Yes	No	Yes	Yes	No	Yes	No	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	No	Yes					<p>I think the pathway in general is a good idea, but not the crossing over from one side of Meridian to the other in 2 places. I think this is not safe for pedestrians. I would support a pathway all the way down Meridian on one side or the other (ie east or west side), but not a split walkway.</p> <p>(PS - This is our 2nd home on Marshview Drive, so the address given above is our 1st home in FL)</p>	
																												<p>A pathway or sidewalk(?) is desperately needed on the busy, narrow Burnt Church Road. I often worry that I or someone else will get hit by a car when walking and riding my bike from Fern Lakes to town.</p> <p>I would also like to suggest that one of those large, round, oval mirrors be mounted across the intersection of Bruin and Burnt Church - maybe mounted on the telephone pole at the entrance to Ulmer Brothers. The mirror greatly would improve safety conditions for the many cars and pedestrians who travel the area, especially with the additional growth in population as a result of The Walk neighborhood.</p> <p>Thank you for your consideration.</p>	
Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	<p>I would like to see all projects on this list built. The citizens of Beaufort county and the surrounding areas need safe pathways for pleasure and commuting on bicycles. Tourists come to Beaufort County to ride, walk, and run while enjoying the beauty of the area. Time to step up into the 21st century and make this happen for all to enjoy. The economic benefit for the county would be incredible.</p>
